## **\$\$\$ THREATS**

It's a growing threat. Across the country, an anti-smoking minority is pushing an agenda to destroy your cigarette sales. Look out for sales and marketing restrictions, threats like bans on cigarette displays and coupons. These actions can hurt your bottom line.

We can help you protect your business. Call us as soon as you hear about local threats to cigarette sales. Together we can defeat unnecessary government intrusions into business.

**Call RJR's Business Watch  
Hotline — 1-800-862-2525**
